SHAREWEAR For some time the parish has been supporting this clothing poverty charity based in Nottingham (<https://sharewearingclothingscheme.org/>) by providing good quality used clothing that is then given, free of charge, to a wide range of people in severe poverty. In order to raise funds so that their amazing work can continue, they are having a summer raffle and you can buy tickets after mass or contact Frank on 01636814721. Please support generously!

Drop Sierra Leone's Debt: In 2014 there was an Ebola crisis in Sierra Leone. In order to contain the outbreak and prevent worldwide spread, Sierra Leone had to borrow huge sums of money. Consequently Sierra Leone is saddled with debt and can no longer afford to provide basic health care for its own people. Christian Aid and other NGOs are petitioning the Chancellor to support writing off these debts and requesting that the management of any future Ebola outbreaks be paid for by the international community. Please join the protest & sign the cards in the narthex at OLV and place in the bucket for posting.

Climate Change Mass lobby of MPs Wednesday 26 June: please join us on the CAFOD pilgrimage to lobby our politicians to take action & make our voices heard. The coach leaves Nottingham Train Station at 7am £25/person. For information re tickets please contact Lesley les.mck15@gmail.com or 01636 814721.

Faith in Families would like to thank everyone who supported their 'Easter Chick Appeal'. A total of £1106.50 was raised to help with their work in supporting children and families post adoption and in listening, supporting and helping children through the Schools Social Work Service. Faith in Families relies heavily on donations so please do ask me about making a regular donation to FIF or if you would like one of their collection boxes for your loose change. Pati Colman. An appeal from the Saturday Food Group which supplies food & toiletries to destitute refugees: We are particularly in need of vegetable/sunflower oil, UHT milk, cartons of fruit juice, toilet rolls, shower gel, shampoo and conditioner. As lovely as they are we don't need tinned vegetables, soups or baked beans. We thank you all for your kind donations.

Christian Aid Week 2019: Many thanks to all who supported this year's collection and campaign. £8120-50 was raised to support womens' health in Sierra Leone.
